From Split to Speedy

A mid-year spin-off. A brand-new benefits program. Zero room for error.

When TOPPAN Packaging needed to stand up its own benefits infrastructure fast, Aptia delivered, guiding a complex platform migration and SSO integration and completing implementation in under 120 days. The result? A seamless transition, a 10/10 client rating, and a partnership that continues to grow.

Click below to see how Aptia makes high-pressure transitions feel effortless.
